

## Why choose Air Telecom?

**Dedicated  
account manager**

**No waiting in  
support queues**

**Guaranteed  
2-hour response**

**Phones answered  
within 3 rings in the UK**

**Air Telecom is the UK's number one independent trusted partner of SoHo, SME and corporate businesses who need efficient, cost-effective communications.**

We are leaders in communication technology, with over 40 years' industry experience. We know the products, we know what works and what's best for you and your business.

From our extensive range of products and services we establish the best solution, saving you the hassle of sourcing multiple suppliers. We do all the paperwork, account set-up, installation and training, while aiming to save you money.

Maintaining strong alliances with major UK networks, in particular EE, O2 and Vodafone, we are acknowledged as a key Strategic Partner, and Solution Specialists.

Air Telecom guarantee to deliver an outstanding customer experience based on an understanding of your requirements and pride ourselves on creating long term business relationships.

**Regular CRM visits  
and tariff reviews**

**Working with you  
on mobile strategy**

**Technical issues fixed  
within 24 hours**

**Personalised  
service**
